

17TH ANNUAL BACK-TO-SCHOOL FIESTA

Each year we see an increase in the number of families that register their children for this program. **YOU** can help us continue to make sure every child in the Wimberley Valley starts the year off on the same page.

DID YOU KNOW?

At the first BTSF in 2006, **THANKS TO DONORS and VOLUNTEERS LIKE YOU**, Barnabas Connection initially provided 100 children with backpacks and school supplies. The Back-to-School Fiesta has since developed into a **community-wide effort with 40+ funding partners** that include community members, businesses, local churches, civic organizations and corporate donors. This event now provides not only school supplies and backpacks but also haircuts, immunizations and access to local community organizations at no cost to approximately **500 children each year!!**

WHY?

Your donation helps ensure **ALL** students in the Wimberley Valley have the supplies they need and a new backpack to start the year. In addition, we are able to continue to identify new areas of need through reaching out to all families via local nonprofits and community partners during the event and connect them to critical resources.

Ever wonder what it takes to provide supplies for 500+ students each year? Here are just some examples.
